

SPIRITUAL CENTRE REGISTRATION DETAILS, JAGTI TOWNSHIP

Brief History of the Spiritual Centre

Mata Saraswathi Pustakalaya Spiritual Centre, situated in Jagti Township, Nagrota, was established in **May 2023** with the noble vision of preserving and promoting India's rich spiritual and cultural heritage among the local community. The centre was founded under the banner of **Mata Saraswathi Pustakalaya** — a name inspired by Goddess Saraswathi, the divine embodiment of knowledge, wisdom, arts, and learning. Since its inception, the centre has been serving as a beacon of spiritual enlightenment and cultural education for the residents of Jagti Township and the surrounding areas. What began as a humble initiative with a small group of enthusiastic learners has now grown into a vibrant community of **40 dedicated students** of all age groups. The centre offers a diverse range of programmes, including music and singing classes that nurture the devotional and artistic talents of the students; a well-curated collection of spiritual books that encourages self-study and philosophical inquiry; Sanskrit language classes aimed at reviving the ancient mother of languages; and comprehensive Karam Kand training that equips students with the knowledge and practical skills to perform traditional Vedic rituals and ceremonies. The Spiritual Centre operates on the core belief that true education is incomplete without spiritual growth, moral values, and cultural consciousness. Over the past two years, it has become a cherished institution in Jagti Township, fostering a sense of unity, devotion, and service among its members. The centre continues to expand its activities and welcomes all individuals who seek spiritual wisdom, cultural enrichment, and inner peace. It remains committed to the mission of **Helpline Humanity** by contributing to the holistic development and welfare of the community.
